## Profile

---

Attorney Leigh Lewis offers professional mediation services backed by nearly two decades of experience handling complex civil disputes across Texas. Her background includes a broad range of matters involving personal injury, wrongful death, commercial litigation, products liability, premises liability, and construction-related claims. Leigh is known for her thoughtful, practical approach and her ability to work effectively with parties to move challenging matters toward resolution.

## Rate Card

---

Mediation fees are maintained online to ensure the most current information is always available. We invite you to please visit [comeauxmediation.com](http://comeauxmediation.com) for rates and more information.

The mediation fee includes any pre-mediation preparation time and post-mediation follow-up time spent on the matter.
